

Supported Housing Worker - Referrals/Programme Co-facilitator Job Description & Person Specification

Hours	35 hours, 5 days per week
Reports To	Supported Housing Manager
Place of Work	Lambeth, Wandsworth and Croydon
Salary	£26,634 with contributory pension

The Nehemiah Project provides professional and life changing support for men trapped in a spiral of addiction and crime. Our programmes address the root issues that cause men to turn to substance abuse, to help them to break free from addictive and criminal behaviour and to begin to rebuild their lives.

Nehemiah is entering a period of growth and will be opening a new house in the next few months, to transform more lives. This has created new posts based in new locations, and we need enthusiastic and dedicated individuals to join our Supported Housing Team in delivering our programme. The new team will recreate our ethos and atmosphere in the new houses, ensuring that the essence of Nehemiah is preserved and will achieve the same success as our original house.

We are looking for an individual who is passionate about seeing men transform their lives, with 4-5 years' experience in all three areas of our service delivery - referrals, programme delivery and move-on. Qualifications in the field of mental ill health would be an advantage.

Key Responsibilities

- Moving Residents through the houses to maximise full use of capacity
- To assist with marketing the programme to prospective agencies and to maintain a good relationship with referring organisations, where appropriate visiting and organising presentations, and to promote self-referrals
- To use a database to monitor referrals and maintain active waiting lists
- To arrange for new Residents to be met at the prison gates and where appropriate to make alternative arrangements to assist their arrival at Nehemiah
- To suggest and make improvements to the system to increase occupancy levels as approved by the Supported Housing Manager

Programme Delivery

- Deliver/Assist in the delivering of the therapeutic programme A New Future. This involves running sessions and working with colleagues, graduates and external specialists who contribute and take part, and from time to time may include groups for men in move-on

Service Delivery

- To assist with Self Assessments and agree Support Plans with Residents and to record outcomes and review progress in achieving their goals
- Keywork Residents - work with men in assessing and identifying their support needs
- Support men by signposting training and volunteering opportunities
- Support men in their job applications and arranging interview practice where appropriate
- Signpost men looking for independent accommodation and support them in move-on
- Liaise with other specialist services
- Establish supportive relationships with Residents and handle problematic and difficult situations in an appropriate and sensitive manner
- Induct Residents to the Charity and the programme and to advise them of their rights and responsibilities at Nehemiah
- ensure that Residents are supported to achieve independent living through proactive support and linking in with relevant agencies
- To contribute to creating a positive recovery environment
- To undertake on call duties and attend the Charity out of hours if necessary
- To contribute to the quality development of the service including implementing tasks within the Project Plans

- To deal with breaches of occupancy agreements sensitively and efficiently, in accordance with warnings and appeal procedure
- Signpost Residents to relevant financial advice on benefits and debt management
- Be accessible and responsive to Residents' concerns and requests for information
- Support and advise Residents on matters relating to their Licence agreements
- Deal with breaches of the Licence Agreement sensitively and efficiently, in accordance with warnings and appeals procedure
- Actively promote Residents' involvement at all times
- Respond in a proactive manner to Resident and neighbour disputes
- Produce monitoring and reports as required
- Report repairs and maintenance according to Nehemiah's Repair and Maintenance Policy
- Oversee cleaning duties around the houses and grounds – as a way of modelling life skills

Health and Safety

- To ensure that Residents have up to date information on Health and Safety, and to support them to manage their environment
- To be aware and comply with Health and Safety legislation and regulations in place;
- To carry out regular Health and Safety inspections, to alert the appropriate people and take action yourself to remedy health and safety defects
